DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Galena, Kans.—"A year ago last March I fell, and a few days after there was soreness in my right side. In a short time a lump came and it bothered me so much at night I could not sleep. It kept growing larger and by fall it was as large as a hen's egg. I could not go to bed without a hot water bottle applied to that side. I had one of the best doctors in Kansas and he told my husband that I would have to be operated on as it was something like a tumor caused by a rupture. I wrote to you for advice and you told me not to get discouraged but to take Lydia E. Pinkham's Vegetable Compound. I did take it and soon the lump in my side broke and passed away."—Mrs. R. R. HUEY, 713 Mineral Ave., Galena, Kans.

Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulence, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to many suffering women.
If you want special advice write for it to Mrs. Pinkham, Lynn, Mass. It is free and always helpful.
